<sup>1</sup> Force 100 Admins are provisioned Salesforce user license (with System Admin Profile). Contractual restriction prohibits Read, Create, Edit, or Delete on: Leads, Opportunities, Products, Cases, Solutions or Campaigns.

<sup>1</sup> Force 100 Admins are provisioned Salesforce user license (with System Admin Profile). Contractual restriction prohibits Read, Create, Edit, or Delete on: Leads, Opportunities, Products, Cases, Solutions or Campaigns.

2 Contractually restricted limit for EE and UE Sales and Service, Employee Apps and Community, Force 100, and External Communities Approvals access.

3 All Users in an EE+ Org can utilize and be a part of workflows and approvals. Refer to use regulate for additional details on Community Approvals access.

4 API must first be enabled on Professional Edition.

5 Data Storage Limits for Customer Community Plus differs based Member or Login Basis. Members receive 2 MB per member, and Logins receive 1 MB per monthly login.

5 Data Storage Limits for Partner Community Plus differs based Member or Login Basis. Members receive 5 MB per member, and Logins receive 1 MB per monthly login.

7 Employee Cases are for internal users and are not to be used for customers cases.

8 Requires' Marketing User' permission, which is currently being auto-provisioned. See User Guide for more details.

9 For members, the API Calls/Day limit is 200, for Logins, the limit is 10.

10 CC+ and PC can enable community managers [could be non-CRM], which are able to add user, but not manage profiles.

11 External Identity is issued in blocks and comes with data storage and APIs. As the blocks differ in size, the per-user amount varies.

12 Contractually restricted limit for PE Sales and Service for Console, Processes, and Record Type. Contractually restricted limit for Service for Quotes and Sales Contract Objects. Contractually restricted limit for EE and UE Service for Opportunity Splits and Territory Management.

13 Customer Community members/logins may only create cases for themsleves, not for another person.

<sup>14</sup> Force 100 Admins are also able to create Workflows and Approval Processes.

15 Sales Cloud Lightning CRM and Service Cloud Lightning CRM have the same functionality and add on options as Lightning CRM.
